FROZEN BEEF PRODUCTS, SOLICITATION NO: 2000004288

The U.S. Department of Agriculture (USDA) invites offers to sell frozen beef products pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal food and nutrition assistance programs. Acceptances will be announced no later than midnight, Friday, September 16, 2016. Deliveries are to be from October 16, 2016 to November 15, 2016.

This Solicitation identifies line items that are Coarse Ground Beef for Further Processing into Fully Cooked Items - Type 1 and Coarse Ground Beef - Type 2, which will determine the level of microbial testing required. Please review Sections 320.8.1 and 321.6 for Type 1, and 320.9 and 321.7 for Type 2, of Supplement 211, dated April 2016 for more information.

The Solicitation may show multiple stops on some line items, however, the number of stops will be limited to a maximum of three. To determine the number of destinations review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

In order to submit offers on this Solicitation, Offerors must be deemed eligible by the Contracting Officer. Product purchased under this Solicitation will be produced according to the applicable Federal Purchase Program Specification and eligible supplier's approved technical proposal.

Offerors must reference their AMS designated laboratory in their technical proposal.

NOTE: All fees associated with microbial testing for boneless beef and ground beef items and fat analysis for
